MEGHNA JAYANARAYANAN

BIM ARCHITECT | BIM COORDINATOR

Chennai, India | +91 9952120212 | meghnajayanarayanan@gmail.com

PORTFOLIO meghna1215.github.io/Work-Portfolio/

PROFESSIONAL SUMMARY

BIM Architect with experience in **Metro and Heavy Civil Infrastructure**, combining Revit model authoring with multidisciplinary BIM coordination. Coordinates contractor interfaces, model reviews, and construction deliverables, with experience in clash resolution, model quality checks, and as-built documentation.

WORK EXPERIENCE

Senior Architect, BIM Dec 2023 - Present

L&T Construction, Heavy Civil Infrastructure

- Coordinate **federated BIM models** for a CMRL Metro project, integrating architectural and structural models with station-wide contractor models for electrical, fire protection, ventilation, and air-conditioning services; publish model-sharing packages in BIM 360.
- Perform **Navisworks clash detection** and prepare clash reports; resolve architectural model conflicts and coordinate corrective actions with service contractors.
- Manage **model review comments and coordination issues in Autodesk Forma and BIM 360**; verify model corrections and close resolved issues to maintain a traceable coordination record.
- Complete **BIM quality checks** against the BIM Management Plan, applying **ISO 19650-aligned** CDE workflows, naming conventions, and information requirements.
- Develop **architectural, structural, and steel models in Revit**; create parametric families and RFI details to support project modelling and documentation.
- Deliver **GFC drawings and as-built models** for station and viaduct packages, working at project-defined LOD 250, 300, 400, and 500.
- Develop **Dynamo scripts to automate repetitive modelling tasks** for viaduct and structural elements using built-in nodes.
- Create **Twinmotion visualizations and animated walkthroughs** to communicate project geometry, design intent, and construction sequencing to stakeholders.
- Produce **construction sequence animations in 3ds Max** to demonstrate staged construction activities and their order for client presentations.

MEGHNA JAYANARAYANAN

BIM Architect | BIM Coordinator

EARLIER EXPERIENCE

Junior Architect Aug 2023 - Dec 2023

JBS Design Consultants, Bangalore

- Prepared **architectural drawings and 3D models** for hospitality and high-end residential projects, supporting design development and project reviews.
- Produced **Lumion exterior visualizations** to communicate design proposals during project reviews.

Student Intern Feb 2022 - Jun 2022

L&T Construction, Heavy Civil Infrastructure

- Supported **tender documentation and GFC drawing submissions** on an infrastructure project.
- Assisted with **underground Metro station planning**, including specialised spaces and service integration.

SOFTWARE SKILLS

- Revit
- Navisworks
- BIM 360
- AutoCAD
- Dynamo
- Twinmotion
- 3ds Max
- Lumion
- Adobe Photoshop
- Adobe Illustrator
- Adobe InDesign

EDUCATION

Bachelor of Architecture (B.Arch)

School of Architecture and Planning, Anna University, Chennai

Graduated 2023 | CGPA: 7.6

LANGUAGES

English, Malayalam, Tamil, Hindi
